

A number of small groups have been set up throughout the synod for youth workers just like you! Small groups will have a Bible Study/Faith Formation focus or a Networking focus. This is a relaxed, informal way of connecting with other youth workers, renewing yourself personally and strengthening your ministry.

SMALL GROUPS:

If you are interested in joining a small group for one of their gatherings please RSVP to the host so they know you are coming! You do not need to be from the conference listed to attend that small group

Chester— Networking group,
